## Bunnies Bringing Storms

Though there have been a few nice days this month, it seems like they come sandwiched between wet and wild storms blowing in off the Pacific. With the first day of Wednesday racing only 2 weeks away, one wonders when there will be time to get the boat prepped and in the water, but we have faith it will happen, probably just in time. We had a small but productive session a few weeks ago getting the clubhouse spruced up a bit, but there are still some things to do, like painting. Stay tuned for word of the next work party, and plan on joining us!

Humphry and Lauren out for a Wednesday race in Yaquina Bay ~1945. They later founded YBYC.

### *Board Bits:*

The YBYC board met on 4/3. Among items on their agenda were: Our commodore has had to withdraw from the office and we need a new commodore; some renters have been leaving the clubhouse in an untidy condition, so cleaning deposits were discussed; on the positive side, rentals have been frequent; postponement of the Spring Regatta is likely due to a number of factors including few boats entered, and limited clubhouse availability; our kayaks have been moved to a rack beside the clubhouse, and will soon be available for member use again; kayak use protocol was discussed; the High School Sailing Team has been very busy, and has regattas every weekend in April; lots of help will be needed for the HS regatta here on 4/14.

The board meets again on 5/1.

# Commodore's Report

Due to family issues I will no longer be able to carry on as Commodore.

I will still be around and willing to help when I'm there.

Keep on sailing, may the winds always be in your favor.

Sincerely,

Ruth Morford

# Race and Cruise News

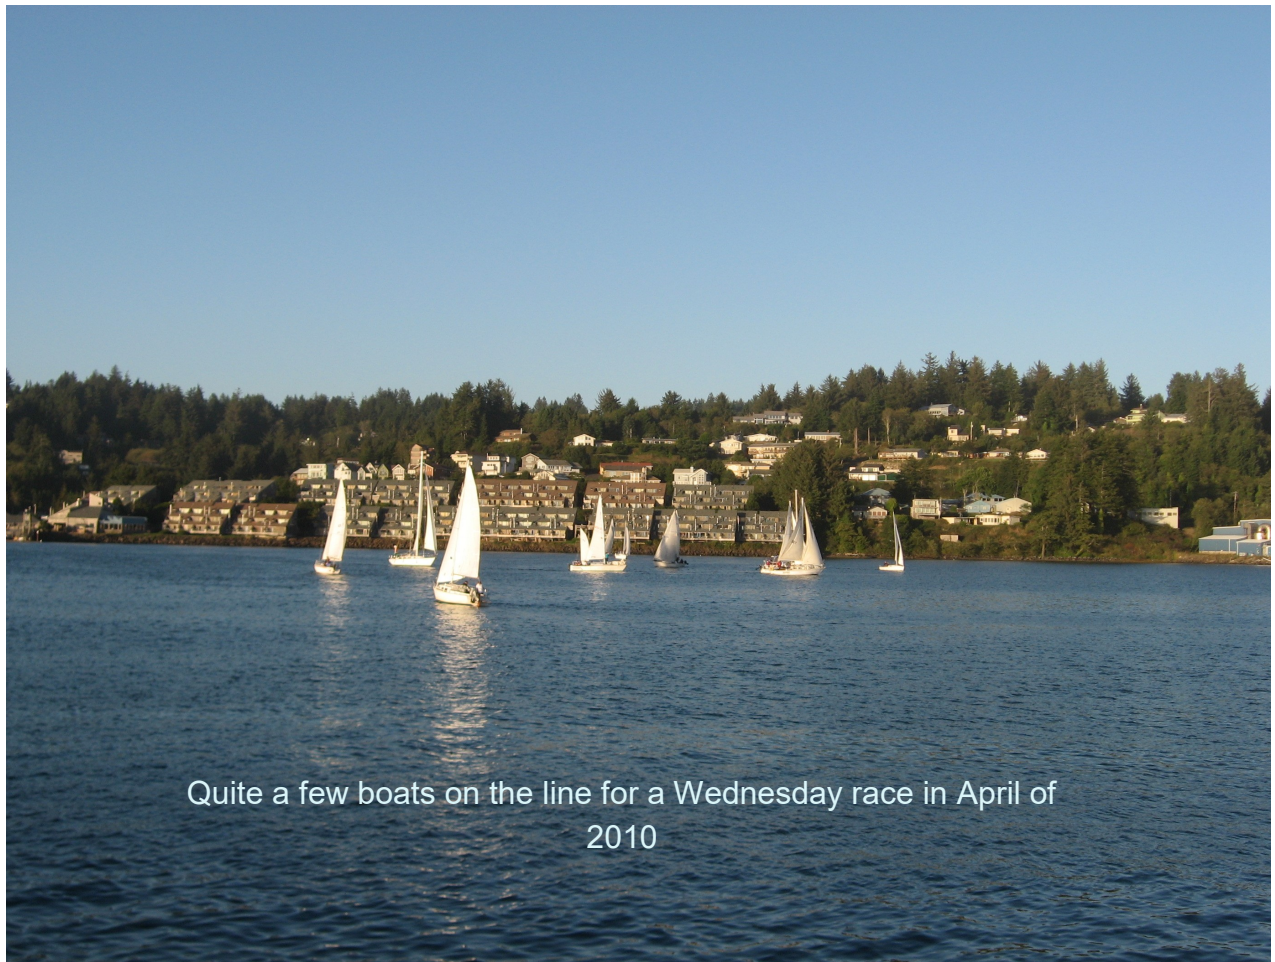

The final two Wednesday “Get Ready to Race” programs will be held April 11 and 18th, and will cover Sail Trim and Tactics, with rules review as requested. This has been a well-received series which we’ll try to make an annual event.

**Spring Regatta is going to be rescheduled for Memorial Day weekend, May 26 and 27,** with the hope that we can get more entries and more volunteer commitment by then. An added bonus to the postponement is the chance for better weather to race in. Please let me know if you’re going to race or want to volunteer to make this a success, we need your participation.

Meanwhile, on the weekend of April 28, for anyone interested, we’re planning an informal boat parade, fun race/cruise sail out to #7 and down to #14, with a dock party or raft-up after, as a celebration of the start of the new sailing season and generally to “show the flag” in our Bay.

There will be a sign-up sheet at the next potluck/monthly meeting April 21 for Committee Boat and Chase Boat positions for the Wednesday Spring Series. Get your favorite date(s) then.

Spring Regatta 2014

# Newport High School Sailors do Great in Difficult Conditions at Hood River Regatta

Hood River lived up to its reputation. Conditions varied from rain to sunshine with sailors seeing everything from very light winds of 4 to 5 miles per hour to winds gusting up to about 20 miles per hour that saw a number of boats capsize. The safety boats did a great job helping those who needed assistance and allowing those who were able to right their boats on their own to do so and keep racing. It was fun sailing for all with some windy challenges that all had the opportunity to experience.

Gold Fleet sailors John Lind, Ronan Krutzikowsky, Madisen Kinner and Sara Tornelli, from left to right.

The Cubs finished 9<sup>th</sup> in the Gold Fleet, which was good enough to qualify the Cubs for a spot in the Gold Fleet in the District Championships. Ronan and Sara managed to finish as the best scoring boat in their Division with 21 points for 7 races, with the 2<sup>nd</sup> and 3<sup>rd</sup> boats scoring 22 and 24 points in this very competitive group of sailors. Ronan and Sara's best races included two 1<sup>st</sup> first place finishes and two 2<sup>nd</sup> place finishes. John and Madisen did very well in the challenging conditions and kept their boat upright throughout the regatta which many other sailors were not able to do. Their best finish was a respectable 7<sup>th</sup> in a fleet of 12 boats.

Ronan and Sara get a great start at the pin end of the line.

The mixed Newport - Hood River team finished 7<sup>th</sup> in Silver Fleet. Kenzie and her crew finished in a very consistent 5<sup>th</sup> place in all their races on Saturday. Full results for Gold Fleet are available here: <https://scores.hssailing.org/s18/forrest-cook-ranking/> . Full results for Silver Fleet are available here: <https://scores.hssailing.org/s18/forrest-cook-silver-fleet/> ,

In the end all sailors had a great experience. They met new people, interacted with sailors their own age, learned a lot, and most importantly had a great time!
