Sailing instructors wanted for Oregon Boating Foundation's summer program.

YBYC is selling two kayaks, lightly used Wilderness Tsunami, 2011 models. See below for details, and contact Fleet Chair if you are interested.

Board Bits:

The YBYC board met on 6/7. Here is a summary of noteworthy agenda items:

Demand for Clubhouse rentals continue to be strong; Englund Marine has paused in their expansion effort; OBF is seeking sailing instructors for their summer program in Toledo; the club's insurance policy has been updated and all vessels are now covered; we can begin sailing our Capri 22, so members should start getting qualified for that; plans for Sailstice are being finalized; volunteers will be needed for the event; boat rides will be offered, so skippers should plan to participate.

The board meets again on 7/5.

Board meeting minutes are available from our secretary. To receive a copy, please email: alimc_77@msn.com

Commodore's Report

Wednesday night spring sailing series just finished up with a fun poker sail. Four boats participated and the winning hand was aboard Grinner. Tom McNamara was holding two tens Ace high. The summer series starts June 22nd. Get on your boats and sail the bay!

May's pot luck was a tuna tasty treat. The Henkels VanCalcar family provided scrumptious tuna tacos. The train riding, jig dancing, family also provided a lot of information on attaining the Oregon boaters card. Tom Murphy was their invited speaker. Tom is affiliated with the Oregon marine board and is an Oregon boating foundation instructor. He gave us a very informative talk about the boater's card and shared many stories as well. Diane quizzed the group on general information from the boater's handbook and prizes were awarded. There are extra booklets available at the clubhouse to review before taking the test or you can study and take the exam online. BUT members are encouraged to get their boaters card. The cost of the test is minimal and the card does not expire.

Next month has potluck has been cancelled BUT Please attend:

The Mike Fulmor Memorial Sailstice and Party on June 25th. This will be a really fun event!! This event is open to the public... so, invite your friends.

Community sailing will be held from 12-4pm. Sign-ups will be necessary. If you know of someone who has never been sailing on the bay invite them and encourage them to sail with YBYC. We want people to experience how wonderful and beautiful sailing is on Yaquina Bay. Party is from 6-10pm. Food will be available from Fishmongers. Music provided by T-Ray and the Shades. Libations available by Bier one, Wolf Tee Brewery, Newport Brewing and Flying Dutchman Winery. A small cover at the door \$5.00 to help cover costs. Dust off your dancing shoes and boogie with us. Member volunteers are needed for set up and take down, if interested please contact Kasey Mattingly or Ken Bishop.

Oregon Boating Foundation needs some help this summer with sailing camps and classes. They have paid instructor positions open. You do not need a captain's license. They are looking for someone who has a passion for sharing their knowledge and experience with others. The ideal candidate is an excellent sailor and is responsible, safety-conscious, and reliable. To see the full description visit their website at <https://oregonboatingfoundation.org/getinvolved/jobs/sailing.html> for more information. This would be a great opportunity to help OBF and work with youth to encourage further knowledge about sailing.

Another opportunity for YBYC members to do some fundraising!!! Any great Cooks out there? We need a team. An event called Wild Seafood will be held on July 23rd. Read on.. and if interested please contact me right away 541 961 4423... Peggy. The cook-off teams will represent a Fishing Vessel most likely home ported in Newport. Some of the F/V's may not be able to put together their own Galley Crew for a variety of reasons (mostly seasonal fishing). Thus we decided to recruit teams to cook under the F/V's banner so to speak, The key here is that you get to keep the money you win! There is no cost to the teams! Teams are usually 2-4 people. The program guide will highlight each f/v and their "galley crew". Your winnings could support whatever you like such as your youth sailing program.

Cheers,

Peggy O'Callaghan, YBYC Commodore 2021-2022

June Race and Cruise News

Spring Series came to a close this month on June 15. Unfortunately the wind didn't come up until the race was abandoned, but it was a good series with 6 races sailed. Results have been posted to the website. We are all looking forward to summer and it looks like may have finally arrived as our wet, cool January weather seems to have given way to more typical summer weather as the solstice arrives and true summer gets underway. The first of our Summer Series races is right after the solstice on June 22 and the series will continue through August 10, with one fun race that won't count for series scoring on the Wednesday just after the 4th of July holiday.

Speaking of solstice, YBYC will hold its Mike Fulmor Memorial Sailstice event on Saturday June 25. It should be a great event with lots of fun for the whole community with opportunities for sailing during the day and music, dancing, food and libations in the evening. No better way to memorialize Mike and we will all miss him this year.
