Changing of the Guard

Annual Membership Meeting - unfortunately another casualty of Covid, very sad we Board members don't get to cook up a mess of Prime Rib for y'all as we introduce the new Afterguard (BOD) especially the changing of the watch at the Commodore position. Next Year?!?!

New Sherriff (Commodore) in Town - Mr. Todd Chandler is taking the helm for next season, starting December 1 actually, so let's welcome him now, as 2020 Commodore Jay Skoch gets some well deserved rest in the form of serving as Rear Commodore for 2021.

YBYC still needs \$\$\$ - but thanks to many generous donors we might just squeak by this year. Next year will be a new challenge, but things have to improve, don't they?

BOARD BITS

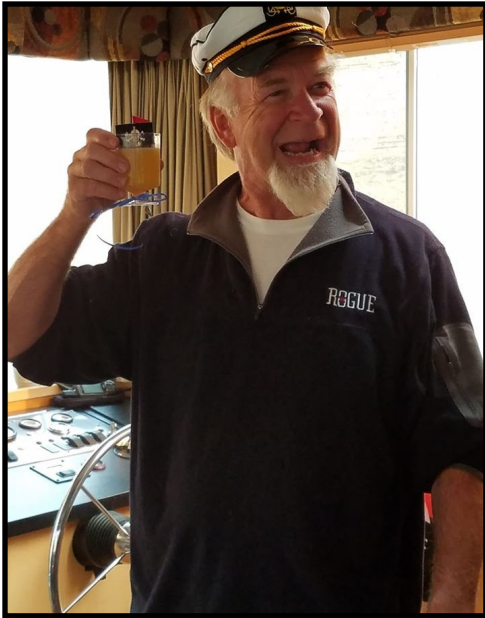

The YBYC board met on 11/3 and here's what was up: The board has approved the budget for repairs to the Boston Whaler, and Todd is ordering the necessary parts; the outboard for the Capri has also been repaired; Ken is applying for an economic relief grant for the club, this one through Lincoln County; there is one pending new member; the vacuum cleaner for the clubhouse has been replaced; Eli has acquired some useful anchors and donated them to the club; the Youth Sailing Film Festival entries will be available for viewing and voting on 11/5; the board meets again on 12/1.

All members are welcome to attend.

Commodore's Report

Ahoy YBYC members, ex-members and friends,

It's been quite a year, hasn't it? Seems like only yesterday we were fat and happy, recovering from the holidays and looking forward to a fun season of sailing, parties, fundraisers and all the usual assortment of YBYC hijinx that happen in a "normal" year.

Then what happened? Well, not much as it turns out, as far as YBYC activities. We did get to do Seafood and Wine, had a great time, and made some pretty good income.

After that, we missed several pot luck monthly meetings, the Spring Regatta (though that has been slightly moribund for awhile anyway), the start of Wet Wednesday racing season, the Summer Sailstice, the middle of WW racing season, a few raft-ups, the Toledo Summer Fest, the Toledo Wooden Boat Show, the end of WW racing season, the Columbus Day Regatta, and now the Annual Membership Meeting and installation of officers. While it's made my job very easy, I wish we could have done all those activities and had all that fun we missed!

Well, I sure hope things will turn around for 2021 and the club will grow and prosper under the steady hand of Todd at the helm, and I sure look forward to seeing all your faces at the club once they tell us it's safe to come out and mess around on boats again and mingle in large groups..

May you all have a happy Thanksgiving and stay safe. Thanks for all your support through my year as your Commodore, it was a great honor. Maybe I'll volunteer for a do-over when life returns to normal. (Just kidding)

- Jay Skoch, 2020 Commodore

Youth Sailing Film Contest Updates

The Oregon Sailing Foundation is sponsoring a short film contest for youth sailors to win \$1,000. All they have to do is create a 3 minute film that features sailing. It can be related to sailing in any way (action, comedy, thriller, etc.) and there are also many runner up prizes. Youth 25 and under split into two age categories; Juniors under 15 and Seniors aged 15-25. Updated info: **Five finalists from each category will be chosen by the general public via a popularity vote at SailingFilmFestival.com starting at 12:00AM PST on November 5th and ending at 11:59PM PST on November 11th, 2020. Rally enough of your friends to vote, and you could make the finals.** Some of our former high school sailing team members have made their film and it's great! Chyanna Blackburn and Madison Kinner, who have been actively sailing in the Summer Series, teamed up to make a hilarious spoof on the Great Race. You have to see it! You will certainly recognize them sailing in Yaquina Bay. So go to the website starting October 5 and vote for them to help them win!

More updated info: **On November 15th, the winners will be chosen by the OYSF Board of Directors during our virtual Finalists Screening Party. Details on how to attend this event will be coming soon. Make sure to join our email list for updates.**
