CELEBRATE...

The Yaquina Bay Yacht Club is celebrating 75 years of sailing on the bay! This **November 13th** we are inviting the public to help us celebrate. Coffee and Cake will be provided at our club house on that **Sunday from 1:00-3:00pm**. We hope you can join us. This will be an excellent opportunity to highlight our club.

Along with this celebration will be a silent auction to benefit youth sailing. We are hoping you can support youth sailing by donating both new and slightly used items to the silent auction. I am also looking for volunteers to help gather items from businesses for the auction.

Personally, I have witnessed the confidence surge in young sailors who have learned sailing skills. Sailing is like no other sport in that you have to adapt to changing weather conditions, like wind direction and velocity and tidal influences. Learning to work with Mother Nature can be challenging. It is our hope to build our youth sailing program.

Join us for a spooktacular Halloween a bit early! Costumes strongly encouraged for our October 15th Potluck. The band is informally called the Halloween Soul Shakers. Hosts are Gianna Martella and Andrew Gause

Generosity is a theme within the YBYC membership. This year we have received donations for the youth sailing program, general financial support, life jackets (pfd), a portable bar and most recently a sailboat! **This boat is being offered to our general members who want a free boat.** A very generous donation by David and Ruth Morford. It is a SanJuan 28' and can be found on dock B123. Please contact a board member for more information. Additional generosity is found in our all-volunteer board, potluck hosts, clean up crew and other supporters.

We have upcoming elections in November and are looking for new board members. Please contact myself or Vice Commodore Diane Henkels to find out more about the positions and their duties.

Regatta... Regatta... Regatta... Well, everything was on point. Weather, Wind, Volunteers, Food and Fantastic Sailing. There were 23 boats that set sail on the bay!

Some additional work at the club house needs attention. We are looking for experienced interior painters or a painter to repaint the walls with the same color. Contact me if interested.

BURGEES are in Check Ships store to order yours!

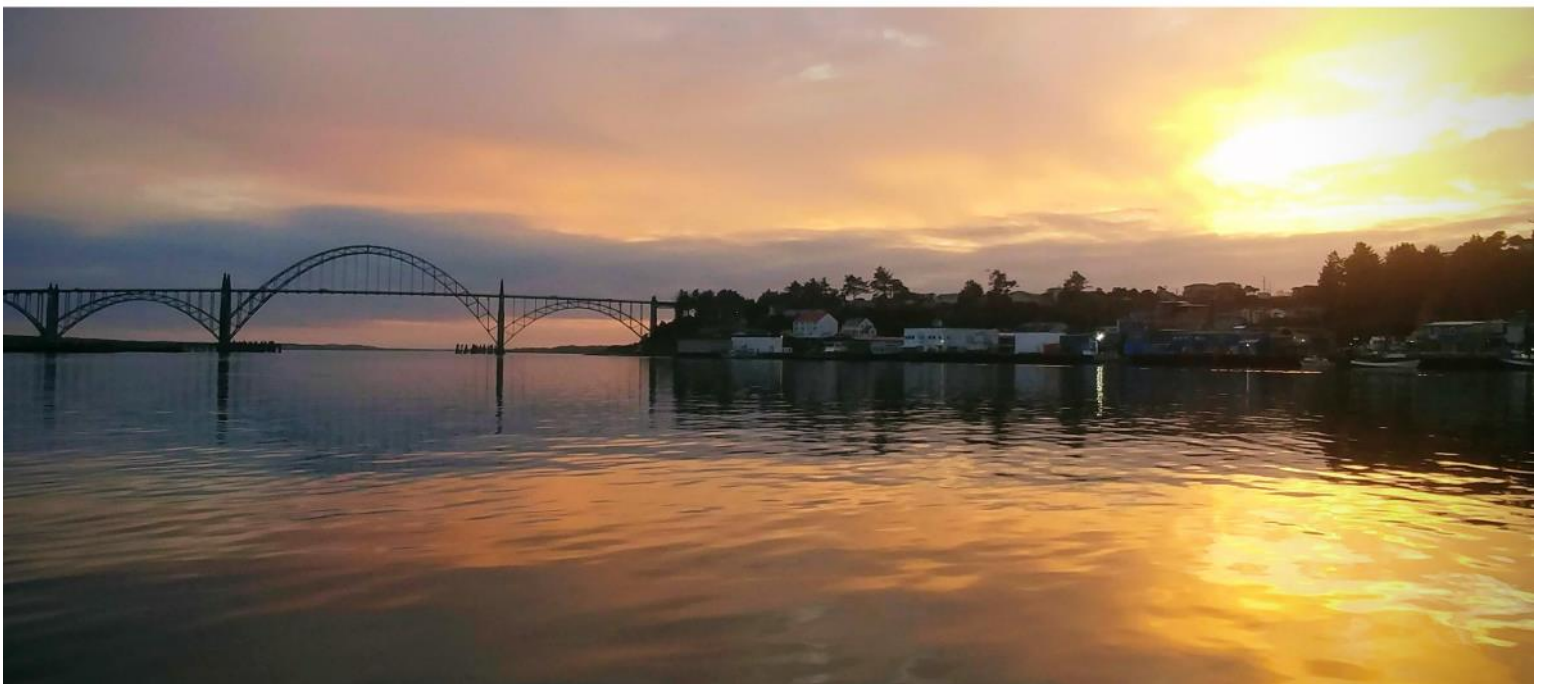

Cheers Just a reminder...YBYC wants to encourage everyone to get their Oregon Boaters Card. On line classes available at <https://www.oregon.gov/OSMB/boater-info/Pages/Boater-Education-Cards.aspx>

Cheers,

Commodore O'Callaghan

Scenes from the Wednesday night racing fall series on Yaquina Bay

September Race and Cruise News

The Fall Wednesday evening series finished up on Wednesday, October 5 and the Fall Regatta October 8 and 9 wrapped up our regular racing season for 2022. We will start our Frostbite Series now that the daylight hours are waning. Frostbite series is just a good excuse (like anyone needs one) to get out and sail on a day when the weather looks favorable on the 1st and 3rd Sunday of the month from now until we start our regular racing season again in late April 2023.

The Fall Regatta was a success on all fronts. The YBYC community really stepped up and hit it out of the park. There were volunteers that helped with checking racers in on Saturday morning, getting supplies (sometimes at the last minute), hospitality (both in the mornings and for the dinner) including cooking up a storm both in the kitchen and on the BBQs, committee boat, and chase boat. In addition, Dave Koester provided the amazing tuna that was part of the BBQ dinner that also included tri-tip. Volunteers are what make this club work and the racing sailors recognize that fact and gave lots of kudos to the club for doing such a great job! Of course the weather gods smiled upon us with great winds which never hurts.
