Cruisin' Into Fall

It may be officially Summer- but we're into the Fall Series for Wednesday racing, the days are definitely getting shorter, and the breezes seem like Fall- light and variable.

Toledo Wooden Boat Show – was a blast with world class blues from Curtis Selgado and Terry Robb on Saturday and Sonny Hess on Sunday. We sold some shirts and had fun helping folks go boating. Looking forward to next year.

Columbus Day Regatta - is coming up soon, October 12th and 13th, and as the last big event of the season, it's your last chance to volunteer, hope we can have all hands on deck! See: **Race and Cruise Report** page 4

Commodore Ken presents his report from the bridge. Pg. 2

Board Bits:

The YBYC board met on 9/3 and here are a few of the items from their agenda: Seafood and Wine was discussed with a view on effort vs. benefit, and distributor sponsor; a new dishwasher is needed for the clubhouse; 2 new members were approved; the Boston Whaler boathouse needs at least one new mooring line; Columbus Day regatta (10/12 - 13) is fast approaching; regatta dinner plans were made; we need another BBQ grill for the event. The board will meet again on 10/1.

Members are reminded that board meetings are open to the membership.

The board meets again on 10/1. Minutes are available from our secretary. To receive a copy, please email: alimc_77@msn.com

Fun Race after Labor day weekend was to Mad Dog Tavern and Back, with a quick beer to make it more fun. Sorry about the washed out faces, but you get the idea.

Commodore's Report

Ahoy!

Well the summer season has been great for our sailors, and the fishing has been great I hear also! I have just come back recharged from my vacation, happy to be back and hoping to get on the water soon. Looks like while I was away there was a neat fun race to the Mad Dog tavern, one of my favorites, so I'm sad to have missed that! For me, this has probably been one of the driest summers in a decade, as Team Catmandu is still working to get the boat up and running, and I haven't had the drive to get the Hobie out. Ironic to have a dry summer during my term as Commodore! I'm hoping we'll have Catmandu running in time for the Columbus Day Regatta!

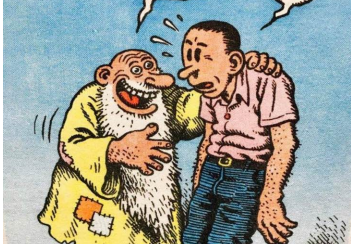

So recently, we've recovered two of the stolen Kayaks that the club owned. They were stolen from the clubhouse several months ago, their chains cut with bolt cutters presumably. Since then, we've trimmed the shrubs back, I've talked with Port Security, and we've installed a video security system. They're good measures, but the vigilance of our club members is still appreciated. Contact Port Security or the police if you see suspicious activity.

But my main point on this is that now that we have the Kayaks back, we need to figure out what to do with them, both in terms of storage and usage. They have not been a heavily used resource from the club, but my personal feeling on that is the awareness isn't there. Did you know we have Kayaks to use for club members? You no longer need a class before using them, so if you're interested in taking them out, contact Fleet Chair, Tom McNamara. Have input about the Kayaks or other club related comments? Contact me at commodore@yaquinabayyachtclub.org. Enjoy the rest of your summer! Hoping for sunshine and good breeze to finish out our season!!

Wishing you fair winds, Dr. Ken Bishop,

YBYC Commodore

September 21 Potluck/Meeting Needs a Host

It may turn out to be a no-host potluck otherwise, which is fine, but if you always wanted to throw a party and have \$100 to spend to provide some great food or entertainment, this is your chance! In past years we've had a dock party with boat owners providing a tasty treat for a progressive kind of deal, anybody want to take part in that? Call Anne!

Columbus Day Regatta

Will be here before we know it! Please get ahold of Greg K. via e-mail, phone or carrier pigeon to let him know how you'd like to help make this final event of the sailing season a smashing success. See Race and Cruise News for contact info.

On the return sail from Mad Dog Alchemy is showing Grinner the way to the marina.

September Race and Cruise News

What most folks consider the end of summer holiday weekend is history for 2019, but the astronomical summer persists a little longer until later this month. Those who participated in the Fun Race just after the holiday weekend on the 4th had a lovely sail up to the Mad Dog and back with a short stop in for a beer. Great weather and fun times. September is often a lovely month here on the Oregon coast so enjoy it while you can and try to get out on the water. We are losing daylight quickly this time of year and have moved the start time for Wednesday evening races forward by 15 minutes as usual this time of year. Warning signal is a 6 PM until the end of the 2019 Fall Series on October 9.

YBYC's biggest regatta of the year is approaching quickly. The Columbus Day Regatta will be the weekend of October 12-13. The Notice of Race is posted on the YBYC website and entry registration is open! Things kickoff when the clubhouse opens at 9 on Saturday and go through dinner that night and start again on Sunday and wind down late Sunday afternoon. For those of you who do not plan to race there are plenty of opportunities to volunteer to help your club out. For those who want to be on the water, we are currently looking for a committee boat, a principal race officer, race committee members, chase boat driver and crew. For those who would rather stay ashore we need help at the clubhouse with registration check-in on Saturday morning and help with dinner for Saturday night and of course help cleaning up Sunday afternoon once all is done. If you want to get involved there is no better time to volunteer. Contact race@yaquinabayyachtclub.org if you want to help out.

Greg Krutzikowsky

Race and Cruise Chair

Alchemy looking good!
