## BOARD BITS

The Yaquina Bay yacht club Board of Directors met on Tuesday, August 5. Much of the meeting was devoted to ongoing issues of the club standing with the IRS concerning the not-for-profit status, overdue tax filings, and how that affects some of our activities and revenue stream.

Consideration was given to changes in scheduling of due payments. The board also considered approval of new member, Committee boat sign-ups being needed, welcoming of Coho Ho-Ho sailors, due in mid-August, upcoming regatta plans, and the Toledo Wooden Boat Show volunteer status. The next Board meeting will be on Tuesday September 2.

# TOLEDO WOODEN BOAT SHOW

Each year members of the Yaquina Bay Yacht Club join in to make the Toledo Wooden Boat Show a wonderful experience for Lincoln County residents and visitors.

This free, family-friendly, weekend event celebrates the historic traditions of wooden boats, and recreation along the Yaquina River. Wooden boats from throughout the northwest are on display. From kayaks and canoes to work boats and pleasure craft, they are beautiful and represent many years and different styles.

Here's your chance to come and play on the water, as the WBS offers something for everyone! Activities include: kid's toy boat building, live music, food and vendor booths, informational and historical exhibits. New at this year's show is Canoe Jousting. Located in Toledo, Oregon, this event is one block away from historic Main Street, where

## NOTICE TO MARINERS

Mariners should be aware that the dredge Sea Horse will be working in Yaquina Bay 24 hours a day near the US Coast Guard and NOAA docks beginning this Sunday and until the work is complete on or about September 15th. The Sea Horse, which will be regularly transiting the entrance channel to dump its sand offshore, monitors VHF Channels 13, 16 and 69A

# *Race & Cruise News*

Summer is in full swing. A number of YBYC boats cruised up the river to the Toledo Fest. Word is that the fireworks were spectacular! Ash came down like snow after the light show once the smoke cleared. Summer Series races end in August and Fall Series gets underway right afterward. There is plenty of racing yet to be had this season.

We are gearing up for the Columbus Day Hospice Regatta. Word is that we have a band lined up and there is a beautiful quilt that will be raffled off along with a number of other items. The Notice of Race should be posted on the YBYC website shortly. Boats registering to race this year are encouraged to seek register online to help with our planning for the event. As another competitive component of the regatta, boats can seek sponsorship for their participation in the event by getting people to make donations to benefit Newport area hospice services. Details will be posted soon.

This year we will again nominate two skippers to participate in the National Hospice Regatta Championships. The Championship will be held on Lake Ontario and hosted by the Rochester Yacht Club in New York. One skipper nominated will be a winner of one of the racing fleets, the other will be nominated for their hospice impact resulting from their fundraising efforts.

## TUESDAY IS KID'S DAY AT THE FLOATHOUSE

**Every Tuesday** through the end of August is Kid's Day at the Oregon Boating Foundation Float House. Volunteers staff the facility and chase boat to check JY Trainers, 420 and El Toro sailboats out to youth sailors. The Float House is open from 4:00 until 7:00 pm.

## KAYAKING

On

Sunday, August 10th several yacht club members joined a group of twelve kayakers for a wonderful paddle from the Canyon Creek Launch ramp up the Yaquina River to Elk City. The paddlers took a break after the six mile paddle and enjoyed some great social time. Several folks swam in the 70 plus degree water while others visited in the shade. There was much talk of doing these types of trips on a monthly basis. Watch the newsletter and club website for more information or contact the Kayak Program Administrator, Tom Murphy, at [coastalkayak@msn.com](mailto:coastalkayak@msn.com) or call 541.265.9648 or 541.602.5293

# Hospitality Report

Get ready for a heel stompin' good time at the August 16th monthly meeting. The theme is "Country" so put on your hats and boots and get set to dance for your dinner with our guest line dance instructors Frank and Maggie Bice, from 6:30-7:00. Then sit down to our chuck wagon style meal of spare ribs and baked beans. Potluck dishes of potatoes, salads, sides, breads, and desserts are encouraged. As usual, BYOB

## 2014 Monthly Get-together Calendars

August 16 – Alice and Peggy have put together a stompin' good time with a western theme including line dancing lessons, BBQ ribs and all the fix'ns.

September 20 – Mike and Pat Blackburn will once again host our exciting dock walk appetizers followed by more food and fun in the clubhouse.

October 18 – **Halloween!!** Don't miss Stephanie's spooky haunted house and other ghoulish goodies.

November 22 – Our annual prime rib dinner and general meeting to be hosted by the YBYC board.

December 20 – Sign up to Host.

All meetings begin with a 6:00 happy hour and dinner at 7:00. More information will be provided prior to each event. We hope you will come, bring a dish to share, a beverage of your choice, your place settings, and be ready for a good time with fellow YBYC members and guests. If you wish to help with any of these events, please contact Alice: [alimc\\_77@msn.com](mailto:alimc_77@msn.com)

## **HISPANIOLA IS FOR SALE**

The sailing vessel Hispaniola, a Catalina 27, is now for sale by her owners, Pat and Mike Blackburn. She is a 1974 standard rig, standard cabin layout, outboard engine model. She is a fin keel with 4' draft, which is handy in the bay, and she is especially at home in coastal cruising off our local shores. Hispaniola has a two reef, partial batten main, 140, 130, 100% and blade foresails. She is fully set up for spinnaker sailing as well. She has been well maintained and recently upgraded with safety in mind: Lifesling II in fiberglass case is mounted on the stern rail, a heavy-duty web jackline attaches to hard points, the Standard Horizon GX2150 vhf radio has a built-in AIS receiver to monitor large

vessel traffic and DSC for emergency broadcasts. The GX2150 is connected to the Lowrance LMS330C chartplotter/fishfinder/GPS so vessel locations are plotted relative to Hispaniola's location at all times and her location is automatically broadcast via DSC in the event of an emergency. GPS data is also communicated to the Simrad TP32 tiller pilot. The TP32 is the top of the Simrad line of tiller autopilots for sailboats up to 37' and 12,600 Pounds displacement.

The accommodations include a full set of cabin cushions, shore power, GFCI protected outlets, microwave, fresh water tank with hand-pump faucet and a working marine head. Two deep cell 12 volt house batteries are charged by a smart marine charger. Three adult sleep comfortably on board with all their gear and groceries. A combination of children and adults, up to 5 or 6 can do the same.

The current engine is a 1998, 9.9 HP Johnson 2 stroke. Remote throttle and cables are in place but not connected to this engine. The engine has been maintained regularly, runs great with plenty of power and has a new prop.

She is registered through 2015 and Embarcadero moorage is paid through March of 2015. So the sooner someone buys her the better deal they will get. In other words, the remaining months of moorage are included in the asking price. That price is...(call Mike Blackburn at (541) 570-0498 and leave a message if I can't pick up)
