## August Already- what happened to July?

**It has been busy-** Sorry for no newsletter last month, between 4th of July, no Board meeting, and lots of activities, your editor took a break.

**Toledo Wooden Boat Show This Weekend-** Promises to be the best ever, and once again our club gets to be in the middle of the action. It's a great opportunity to volunteer! Details pg.3

**Summer Sailstice** was a blast, more boat rides than ever, best attendance ever, music was sublime, and funds were raised!

**Race and Cruise Report** page 4

**Commodore Ken** presents his report from the bridge. Pg. 2

**Labor Day Weekend Raft-Up anyone?** We've done it before, we can do it again, big fun!

## *Board Bits:*

The YBYC board met on 8/6 and here is a summary of some of the agenda: Ken is looking into free advertising opportunities for the club; Toledo Summer Fest rendezvous was a fun event, great time had by all who found their way there; members can plug electric vehicles into clubhouse to charge, storage rates may be increasing; carpet in clubhouse was professionally cleaned at some expense, looks great, let's keep it that way; two of the stolen kayaks were recovered, thanks Tom and Peggy; Toledo Wooden Boat Show was discussed, club will be working out of the floathouse helping with free boat use.

The board meets again on 9/3. Minutes are available from our secretary. To receive a copy, please email: [alimc\\_77@msn.com](mailto:alimc_77@msn.com)

## Commodore's Report

Ahoy!

Summer always seems to fly by....

I've tried to figure out how to slow down time, but so far my efforts have been unsuccessful. But I'll tell you what hasn't helped is being off the water for the most part this summer! Poor

"Catmandu" has just been sitting in her dock, with the crew and captain busy with so many other projects, and that four letter word... "WORK". Still hoping we'll have her patched up soon enough to have Team Catmandu join the boats out there on Wednesday nights this season! I did, however, take an opportunity earlier this month to go sailing with a friend of mine on Fern Ridge on his Catalina 22. It's nice to be able to jump off the boat for a warm swim, but I missed the salt in the water.

The summer has been so busy I guess we forgot to get the newsletter out last month! I trust you all were too busy sailing or boating to notice.

Many reports of the meeting last month, held at the docks in Toledo and ending with the fireworks of the Toledo Summer Festival, as one of the most fun all year. A big thank you to Port of Toledo for the dock space, free of charge to Yacht Club Members who chose to make the voyage up there. We'll look into doing that again next year! This weekend, the meeting will be held after the Toledo Wooden Boat Show, where we will be assisting the Toledo Community Boathouse with their boater registration, and hopefully getting a lot of folk participating out in the water. We'll also have our booth that we had last year, which was a blast to volunteer at. If you haven't signed up for a shift, I highly recommend it and we could certainly use as much help as it gets.

I hope all of you are having a blast this summer, and you all are getting to spend some quality time on the water!

Wishing you fair winds, Dr. Ken Bishop,

YBYC Commodore

## August 17 Potluck After the Boat Show

Anne is providing chicken, we all bring sides, salads, appetizers or desserts to share, and seaya there! 5:00 social hour, 6:00 dinner served; as usual bring your set-ups and beverages of your choice, and/or the bar will have some libations available. Since nobody signed up as host, come early to help set-up for extra brownie points and a free drink.

## Welcome New Member Grace Corry

I reside in Tillamook County and I work for the Oregon State University Extension Service in the SNAP Ed program. I attend school online and I'm working towards a masters program in Audiology. I am originally from Oregon and have lived in two countries and three states. I began sailing in Savannah Georgia in 2010, on an Etchells, and fell in love with racing on the Merit 25 fleet in Portland. I am looking forward to joining sailing or racing on Wednesday nights or Sundays!

Also a belated welcome to Nancy Warnecke and Artur Gnitecki, who joined late June, and would have been in the July newsletter, Nancy has been active crewing on Wednesdays, has sailed quite a bit and had her own boat for awhile, and Artur has been taking lessons from Mike with the goal of being able to enjoy our sport safely. Both joined with the Summer Sailstice membership deal. Let's all make them feel Welcome when we see these folks!

## Toledo Wooden Boat Show

Toledo Wooden Boat Show is coming up August 17 & 18. YBYC will be supervising the Toledo Community Boathouse free boating program both days. We will need 3-4 club volunteers throughout this fun event to check boaters in, fit with PFDs, and help load in and out of boats. This will also be a great opportunity to advertise YBYC, sell some of our wares, and hopefully pick up a new member or two. Please contact Alice for more info and to select a time to help out. Thanks in advance.

There will be some world-class music at the show this year, Terry Robb and Curtis Salgado on Saturday, and the Sonny Hess band returns on Sunday. We'll be set up in the floathouse with a great view and our own speaker nearby to enjoy the tunes, don't miss this chance to volunteer for a very fun day promoting your club and boating in general!

## August Race and Cruise News

Hard to believe August is well on it way to being history already. Summer months have really flown by. Fall is not far off. In fact the Wednesday evening Summer Series races just finished up August 14 and Fall Series starts August 21. Yes it's a little early, but the series have an equal number of races so that's how it works out. The racing has been fun, but it sure would be nice to see more boats on the water every Wednesday. We have had up to 4 keelboats and 3 Club 420s, but more boats = more fun.

Remember that this weekend is our monthly meeting on Saturday, so if possible take friends out sailing beforehand for a casual cruise and then bring 'em along to the meeting. The more the merrier!

Speaking of casual cruises, let's plan on a raft up on the upcoming Memorial Day weekend. Memorial Day itself is Monday September 2 this year, but let's plan the raft up for either Saturday or Sunday since not everyone is off on Monday. We'll use the Yahoo Group for communication to finalize plans to see which day works best for folks.

Finally, it's not too early to start thinking about our biggest regatta of the year coming up Columbus Day weekend in October. We will need volunteers to help with committee boat, chase boat and hospitality at the clubhouse including dinner. This is always a great event with our sailing friends from Eugene. Looking forward to it!

This is an old picture, but unfortunately this is what a Wet Wednesday looks like these days. Hope we can get a few more boats out there for Fall series!
