

THE JIBSHEET

Yaquina Bay Yacht Club, established 1947

August 2021

Busy summer days on the bay

Casual Wednesday sailing continues, and will follow the same format through the fall.

YBYC's Capri 22 was launched, and promises an exciting future as the new club boat. Read more from Commodore Todd Chandler.

Adult sailing class has drummed up a lot of interest, and YBYC instructors are ready!

Member potluck will happen August 21st, hosted by Peggy and Alice, with an Aloha theme.

Mark your calendars for the Columbus Day Regatta, to be held October 9th-10th. We look forward to everyone pitching in to make the event a success! More in this week's Race & Cruise news.

New members have joined the club. Welcome!

Board Bits:

The YBYC board met on 8/3 and had a busy evening: The Englund Marine Move/relocation committee had its first meeting; we need a new webmaster and newsletter editor so are soliciting for a volunteer; we will be changing banks to a more convenient one with a Corvallis branch; 4 new members were approved, and more applications are pending; spaces for adult sailing lessons are filling up; plans for a Columbus Day Regatta are proceeding; there will be a member potluck this month; we are having a dedication plaque made for the flagpole; the memorial for Mike Fulmor will be held at the clubhouse on Aug. 28; boat storage rates for dock or yard storage are being revised; a slip has been rented for the Capri 22, and work on getting it ready continue. The board meets again on 9/7. Board meeting minutes are available from our secretary. To receive a copy, please email: alimc.77@msn.com

Commodore's Report

Good day everyone,

I hope this finds everyone doing well and getting in lots of boating this summer. First off, I want to welcome our new members who have joined the club this summer - Welcome to YBYC and thanks for joining! We have a chance for new members to dive in and get to know folks at the club at our members potluck on August 21. Our vice commodore, Peggy O'Callaghan, will be hosting with an emphasis on new member involvement. This is a great way to start learning about your club and how the clubhouse operates. Please consider joining Peggy and lending a hand at this meeting.

YBYC is planning on hosting the annual Columbus Day Regatta (cancelled last year) on October 9th and 10th. This was not an easy decision considering the ever changing state of the pandemic. As we get closer we will determine if we will be able to host the usual dinner and other clubhouse gatherings related to this weekend of racing. As always, racers will determine their own comfort level with their crew and aboard their boat. Stay tuned for more info about this regatta.

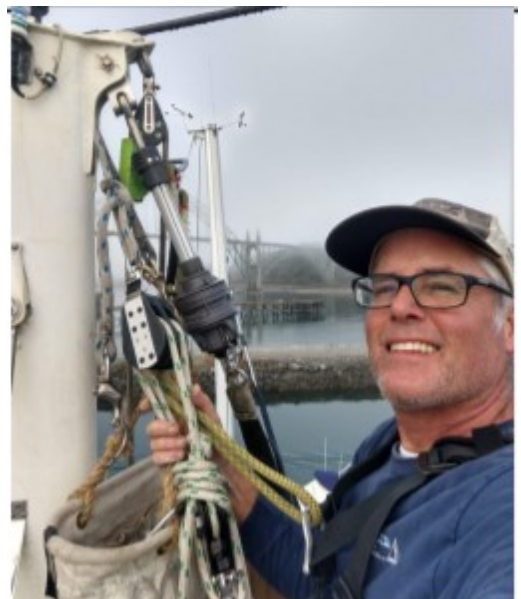

As always, YBYC needs your help. We have several committees that could use volunteers - house, race and cruise, fleet, website, news and publicity, hospitality and ship's store. Each of these committees currently only has a chair as a member and could use your help. Most needed at the moment is help with the website and JIbsheet publishing. Please consider helping out!

The club's Capri 22 is in the water! That's right - Tom McNamara, Greg Krutzikowsky, Tyler McNamara and myself launched the boat at the hoist on Saturday the 7th. The launch went smoothly (except for a leaky carburetor on the 9.9 Mercury). Tom will be formalizing the checkout procedure and fees shortly and I will be looking into the carb asap so hopefully this boat will be available for rental soon. We have a 3 month arrangement for moorage on E dock of Embarcadero and hope to be able to cover slip fees with rental fees. Stay tuned to the google group for updates on this and contact Tom McNamara directly to get checked out.

There is rumor and substantiated information that our racing fleet is growing. We have yet to see more boats showing up for Wednesday racing but have reason to believe that we soon will. I greatly look forward to the days of having 5-7 boats out on a regular Wednesday night race, fingers crossed!

Stay well and happy boating,

Todd Chandler, Commodore YBYC 2021

August Race and Cruise News

As we look forward to our race and cruise plans for this year, we are continuing our low key Wednesday sailing series in its current casual format through the summer and likely into the fall without any major changes. So try to get out sailing for these fun, casual Wednesday evening sails while the summer weather is still with us!

We are pleased to announce that our Adult Sailing Class is full with a combination of 12 new members and others signed up to learn to sail. The classes will be starting August 12 and ending August 26. We are looking forward to teaching people to sail and welcoming them into this amazing sport and way of life.

We are still planning to hold our Columbus Day Regatta on the weekend October 9-10. We will need volunteers to help. So block out that weekend for a return to racing on Yaquina Bay and/or helping out your club by volunteering to help. Specific needs will include committee boat and race committee personnel. Hospitality personnel are needed to help with checking people in and help with food and beverages. Our sailing colleagues from Eugene and elsewhere are keen to come join us for racing on Yaquina Bay this fall.

—Greg Krutzikowsky, Race & Cruise chair

Yaquina Bay reminding us all why this is our favorite way to spend a Wednesday evening.

The 420's are ready for the upcoming adult sailing class! YBYC members move the dinghies to the dock while YBYC dogs wag their approval.

YBYC Catalina Capri 22

On Saturday 7 August, with the help of Greg Krutzikowsy, Tyler McNamara and myself (Todd C.), Tom McNamara organized the launching of the YBYC Catalina Capri 22 that was generously donated by the Shrantz family. The Capri 22 was designed in 1984 by Gary Mull and Frank Butler, has a draft of 4' and 229 sq ft of sail. This boat is a straight forward keel boat that will be an easy boat for members to use once we get things dialed in a little. It will also be an excellent platform for someone to teach sailing lessons on when we find that person...hint, hint!

There will be a few kinks to work out this month as we start hoisting sail but that is to be expected, after all it's a boat! Stay tuned for more information on how to get checked out on this and what the use fee structure will be. We are hopeful it will get enough use to pay for the moorage and will be in the water for a test period of 3 months to start with.

Member potluck Saturday, August 21st!

ALOHA YBYC and especially new members. Our August 21st member potluck will feature a Hawaiian theme with pulled pork, slaw, and Mai Tais hosted by Peggy and Alice. Cocktails and appetizers will start at 6:00, and dinner at 6:30. This will be a great time to meet and greet our newest members. So, grab your Hawaiian shirt or grass skirt, ukulele, and a side dish to share and we'll see you there.

RSVPs are appreciated at alilmc_77@msn.com

Memorial service for Mike Fulmor on August 28th

All friends and fellow boaters are welcome to join in celebrating the life and legacy of Mike Fulmor, an avid sailor and a prominent contributor to all things YBYC.

The event starts at 2:00 on Saturday, August 28th at the YBYC clubhouse. Hawaiian or tie-dye attire is recommended.

Welcome new members, Herb and Lynne Fredricksen!

Lynne and I have been married for 36 years. I grew up in the Washington DC area and moved to the west coast in 1977. Lynne grew up in the L.A. area and then moved to Phoenix as a teenager. We met in Southern Oregon and then both attended OSU for a career change. After graduating in 1996, I became a Civil Engineer and Lynne became a Registered Dietitian. We worked in our professions in Napa Valley until retiring in 2018. We love being on the water, which is one of the reasons we moved to Newport in May 2021.

We look forward to meeting the crew at YBYC.
Fair winds!

Herb

Welcome to all new YBYC members, we are thrilled to have you!

Many new members have joined! We look forward to featuring more new member bios in future newsletters, but in the meantime we want to extend a hearty welcome to all the new folks who have recently joined our club. We are excited to meet you!
