Commodore's Report

What a month, what a party, what a great community sail! The Mike Fulmor memorial Sailstice and party was a great success. The weather cooperated with temperatures reaching in the high 70's and a good wind. YBYC had over 65 community members' sign up for sailing with four Captains. Special thanks go out to them! Tom McNamara (Grinner), John Estabrook (Club Boat), Ken Bishop (Mahalo) and Greg Krutzikowsky (Alchemy).

Alice McNamara organized the sailing sign ups, which were held in the clubhouse, she visited with everyone about the club and membership benefits. Runners were dispatched and led groups to their boats. Thank you runners! Gretchen and Kelly and put on some steps!

The party continued on with live music provided by T-Ray and the Shades starting at 6pm. Plenty of people took advantage of the dance beat. Food was provided by Fishmongers and libations were provided by Bier One, Wolf tree Brewery, Newport Brewing and Flying Dutchman Winery. Kasey Mattingly was responsible for the evening BIG Bash.... Bravo Kasey!!! A host of other volunteers helped with party promotion and set up and clean up as well. YBYC has great members willing to give a hand to ensure our events are great. Thanks to ALL!

Due to this wonderful event we received seven new membership applications. All were approved at our July 5th board meeting. Please welcome: Nancy Sabel, Betsy Johnson, Charli Adams, and Households – Richard and Joy Gutknecht, Gianna Martella & Andrew Grouse, Madison Kinner & Lucas Demaray, John & Donna Hill.

Wednesday night sailing is adorning our bay. Tourists love to see the boats on water especially when the spinnakers are out. Check with race to find out the latest and greatest race results.

Potluck Party Hosts for July are Kim and Robert Allen. Shrimp Boil is on the menu! Please join us and bring your favorite side dish, Saturday July, 16th at 6pm.

I am very pleased that in August YBYC will offer Adult Learn-to-Sail Class, Beginning Small Boat Sailing. This is an exceptional opportunity for beginner sailors!! More info is on the website.

Vice Commodore, Diane Henkels has organized an outdoor clubhouse clean up on July 16th from 9am-11am. Bring some garden gear!

A Memorial Gathering and celebration of life for our dear Ann Williams will be held on August 20th from 12-3pm. Ann was a life member of YBYC. A lover of sailing and life! Please join us.

July Race and Cruise News

Summer is in full swing and YBYC kicked it off with the Mike Fulmor Memorial Sailstice party at the clubhouse that featured live music by T-Ray and the Shades, local beer from Bier One and Wolf Tree Brewing, and delicious fish and chips from Fish Mongers food truck. Four club member boats took roughly 70 people out sailing for free on that gloriously warm June 25th day and there were plenty of smiles as everyone enjoyed themselves. Huge thanks to all who participated in making this event a success, especially Kasey Mattingly who was the main organizer this year.

Summer Series started out with light turnout on June 29 which we will not be counting as just one keel boat on the course doesn't make for much of a race to score. But Terry and Laurie in the 420 and Alchemy were neck and neck with an almost photo finish and all had a great time out there. Things picked up a bit for the fun race on July 6 with the long awaited return of Slam Dunk. We are hoping to see El Coyote back out racing soon too as she is back in the water and has been out sailing several times. It is always good to have more boats out racing. Winds have been our typical summer nearly gale force conditions lately with gusty and shifty conditions at least out at the ocean side of the bay, but we have also had very light air down near 14 making the racing very tricky and challenging for those venturing out.

A number of instructors have put together a plan for an Adult Sailing Class in the 420s that will start in August. Check out the information on the club's website and sign up quickly if you are interested as there is a limit of 12 people for the class. Typically by mid August when the class starts our winds mellow out and bit and class times are set to take advantage of those mellower conditions for learning to sail. Learning to sail in a dinghy is truly fun as they are so responsive and everything you learn transfers well to any sailboat.

As we look forward to our race and cruise plans for this year, we are happy to be racing again on our Wednesday sailing series and plan to continue through the summer and fall. We are planning to hold our Fall Regatta on the Columbus Day weekend October 9 -10 and will need volunteers to pull it off. So block out that weekend for a racing on Yaquina Bay and/or helping out your club by volunteering to help.

**Welcome new members,
we are thrilled to have you!**

Charli Adams

Hello everyone! I'm currently a student going into my third year at OSU and double majoring in business administration and sustainability. I grew up in Newport and sailed with the high school team. I'm very excited to start sailing again!

Madisen Kinner & Lucas Demeray

Madisen: I moved from Las Vegas, Nevada to Newport, Oregon in my third year of High School. Before school had begun, and being new members of the town, my mom, sister, and I had come across the yacht club during the Sailstice where I took my first ever sailing ride. Soon I was on the Newport High School Sailing team and fell deeply in love with the sport. Favorite regatta was at Hood River with 25-30 knots. Currently, I am majoring in Biology with a minor in Chemistry at OSU in my fourth year!

Lucas: I've lived in Oregon most of my life. Aside from working I like to spend my time doing lots of outdoor activities. Backpacking whenever I can get a good excuse, skateboarding with my friends, and snowboarding in the wintertime, and now I hope to learn to sail!
