Sailing Instructions

Rules: Racing will be governed by the United States Sailing Association's "The Racing Rules of Sailing 2017-2020" including US Sailing Prescriptions unless otherwise specified in the sailing instructions. An appointed race committee will have final authority on all matters. Additional sailing instructions may be distributed at registration and/or skipper's meetings. Protests that must be settled after racing are discouraged. If rule infractions occur, please attempt to settle them promptly on the water.

Classes: All skippers should be members of US Sailing. Four entries will establish a one-design Class. The Portsmouth Yardstick handicapping system

<https://www.ussailing.org/competition/offshore/dpn/> D-PN, possibly with modification factors, will be utilized for fleets other than one-design classes. Vessels will be grouped into fleets by the YBYC Race Chair based on vessel type and D-PN. Any modification factors to the D-PN for offshore classes will be assigned by the YBYC Race Chair as warranted. Any vessel that does not meet criteria for its D-PN or that does not have a D-PN listed in the Portsmouth Yardstick current tables on the US Sailing website must supply the vessel information needed to derive a Portsmouth Yardstick handicap or modification factor as outlined on the US Sailing website. That information must be provided on the entry form. The YBYC Race Chair reserves the right to require skippers to provide measurements for their sails, hulls, or equipment if requested. A working sails only (no spinnaker) class will be considered if there is enough interest. Race classes will be announced at the skipper's meeting. Classes may be combined for race starts.

Starting: Fleet starting order will be announced at the skipper's meeting. Start and finish lines are unrestricted unless otherwise indicated by the Race Committee. In case of a General Recall, the fleet moves to the back of the starting order.

Courses: Courses will be displayed onboard the Committee Boat no later than 5 minutes before the start of each class. Marks will consist of existing navigational aids (channel markers) found on NOAA Chart #18581. Additional buoys may be placed by the Race Committee if needed. Marks are to be left to Port unless specified. Chart copies and tide tables will be available at registration and skipper's meeting.

Time Limit: The first boat of each fleet has two hours to complete the course, if the 2 hours has elapsed and no boat has finished, the Committee Boat may call the race. Once a boat has finished, the rest of her fleet has 30 minutes to complete the course, or be scored as DNF.

Scoring: Races will be scored using the Low Point Scoring Method in the Racing Rules of Sailing- Appendix A. One or more races completed will constitute the series. Portsmouth Yardstick time on time handicapping will be used for corrected times. A vessel's series score will be the total of all races completed excluding her worst score unless fewer than 7 races are completed in which case all races completed will be included in her final score.

Protest: Protest is discouraged. If infractions occur, please attempt to settle them on the water. Protest forms are available from the Race Committee and/or Committee Boat. Protest must be filed within 1 hour of the committee boat docking. The Race Committee will appoint a protest committee as needed.
