

THE JIBSHEET

Yaquina Bay Yacht Club, established 1947

November 2021

Annual member meeting, frostbite sailing, and more...

Annual member meeting November 20th will take place at 6pm. Join for elections of next year's board, comradery, good food, and good times.

Frostbite sailing series will be held the first and third Sunday of every month at noon through the winter, conditions permitting. We hope to see you out on the water!

Building maintenance is ongoing, so a big thank you to members who have given their time and effort. A building maintenance committee will be formed.

Welcome new members, Darroll and Paige Morehouse!

Board Bits:

The YBYC board met on 11/2. Among items on the agenda were: A building maintenance committee will be formed; nominations for next year's board positions are ready; 2022 is YBYC's 75th anniversary; Life Membership eligibility has been met by some members; a new member family was approved; club-house rental rates will be increased next year; the fall regatta was a success; frostbite Sunday sailing will begin; the club's keelboat has been decommissioned for the winter; our Annual Meeting is coming up on 11/20; we will need to move several dinghies from the dock to the winter rack, so volunteers will be needed before the meeting. The board meets next on 12/7.

Board meeting minutes are available from our secretary. To receive a copy, please email: alimc_77@msn.com

Commodore's Report

Greetings members,

It is with this report that I bid you adieu as your Commodore! This month we have our annual meeting (Nov. 20) where we elect new board and committee members. I will move to Rear Commodore while Peggy O'Callahan will move to Commodore. Please, help me in welcoming Peggy into her new role which she will begin after the meeting (I think). Peggy has been with YBYC for many years and has long tentacles throughout the community. It will be great to have her local knowledge and enthusiasm guiding the club. Come along to the meeting and take part in the election to see who the rest of the board and committee members are going to be - remember to RSVP for the meeting by the 12th of November.

That means that this is my last month as Commodore and I want to take this opportunity to thank you, the members, for your vote of confidence last year and throughout the year. It has been a pleasure to serve as your Commodore and I thank the board and committees for their assistance in keeping the club running smoothly during this past year and through the global pandemic. It takes a group effort - thanks everyone for keeping our club going!

Financially speaking, the club is running a little lean due to lack of clubhouse rentals this past year compared with pre-pandemic years but we are starting to see a rebound. We have a little savings and are just about breaking even these days but would not be in such good shape, and likely in the red, if it were not for the numerous very generous donations and in-kind support from members that have come in over the past 18 months. Thank you all for opening your checkbooks and donating your time during our time of need!

Thanks to the many people who have donated their time this last month to spruce up our clubhouse! Dave Koester and Annette Ernst painted our storage shed the lovely avocado top coat (and thank you for the paint donation!), John Estabrook repaired the missing roof tiles on our building, Stephanie Brown and Diane Henkels continued knocking back the Pampas grass and Rose Hips (I think that is what they are). These efforts all add up and make a really big difference in the end, Thank You!

Sailing season has certainly taken a turn to the dark, wet, and windy side quickly this year! I continue to see a few sails in the bay now and then but the opportunities are diminishing quickly with the daylight and gale force winds. It's a great time to start thinking about what boat you're going to sail on next year and how to make that happen! It's also a great time to practice your heavy weather sailing!

See you at the annual meeting,

Todd Chandler, Commodore YBYC 2020-21

November Race and Cruise News

November already. Daylight savings time is a thing of the past for this year and daylight hours are short. We've an abundance of precipitation lately and the La Nina this winter is likely bring more. All that said, we will get some good weather over the coming months and hopefully some of it will come on the weekends when we can take advantage of it to get out sailing. Yes, it all adds up to being time to kick off our Frostbite sailing series for the 2021-22 fall/winter. So keep your weather eye open for opportunities to get out on the water the first and third Saturday of the month at noon. Nothing formal just a good time to get out on Yaquina Bay and go sailing, hopefully with other like minded friends from the club.

—Greg Krutzikowsky,
Race & Cruise chair

Annual Member Meeting Saturday, November 20th

It's that time of year again, Our Annual Meeting and Potluck will take place in person at the Clubhouse Saturday, November 20th starting at 6:00PM. The Board will host, bring a side and come join us for comradery, updates, good food and a good time, and of course elections for the incoming Board.

Due to the popularity and previous attendance levels, and due to current concerns concerning Covid, this year's Annual Meeting will be open to members only. Individual member may bring a guest as a +1, dinner is \$10 for non member guest. Household memberships may bring those included in their household membership.

Please RSVP directly to hospitality@yaquinabayyachtclub.org with names and number attending, by November 12th.

Hope to see you all there!

Welcome to our new YBYC members, we are thrilled to have you!

Darroll and Paige Morehouse live in Newport, are retired and joining YBYC for comradery and sailing. Darroll was a Junior member of the Richmond Yacht Club in the 1950's. They also have many years of sailing and racing experience on San Francisco Bay on El Toros and larger boats. They have cruised from California to Mexico and back and crewed on the 1971 Transpac race to Hawaii! I also hear that Darroll plays a mean bagpipe. Welcome, Darroll and Paige!

We are excited to get to know you!
