Sailing through August

Wednesday night races continue, with the fall series starting August 21st. See you on the water!

Toledo Wooden Boat Show August 17-18

is a great event for sharing who we are and what we do. Volunteers are needed to staff the YBYC booth for the weekend.

Mark your calendars for the Fall Regatta October 13-14, and reach out to the Race & Cruise chair for ways to help out.

Consider joining the YBYC board in the new year! Look for solicitations from the nominating committee.

Ship's store feature item: show your club support with a great vinyl sticker!

Board Bits:

The YBYC board met on 8/6. Here is a brief summary of the agenda: Stacia and Cindy outlined upcoming fixed expenses of the clubhouse operation to guide pricing and scheduling in the coming year; strategic plan versions are being consolidated; House is getting new audio/video system for simpler operation; we'll have a booth at the Toledo Wooden Boat Show 8/17-18. Volunteers needed!; one new member was approved; Fall regatta will need many volunteers as Greg will not be here; a nominating committee will be soliciting for board positions for 2025; Adult sailing class did not meet the minimum number, so has been cancelled. The board meets next on 9/3.

Board meeting minutes are available from our secretary. To receive a copy, email: secretary@yaquinabayyachtclub.org

Commodore's Report

Hey fellow YBYC'ers,

It is that time of year for a change in the guard, or rather the club officers. We need you! Alan will be Commodore next year. He's a much more fun person than I am so it should be a great time to get involved. Talk with Alan or I to see where you can fit in. I'd really like to see all the offices have new faces and fresh ideas. Don't wait to be asked!

We have a new audio/video system at the club. We can now stream music via bluetooth! To play video just plug into the HDMI cable from a laptop, tablet or phone. We have a USB-C adapter for the HDMI. A-OK. Movie nights are now a lot easier.

A big thanks to Alice and Stacia for keeping the clubhouse rentals moving along. Recently we had a very messy renter who left piles of gooey icing on the carpet among other things. We recovered quickly and very nicely thanks to their quick actions.

August Race and Cruise News

The Wednesday evening Summer Series is now almost finished. We made a slight adjustment to the schedule to even up the number of races in Summer and Fall Series, so the last Summer Series race is August 14 and the first Fall Series race will be August 21. The after racing BBQs continue to be well attended and great time to enjoy camaraderie with other races as well as any club members who join in the fun.

I'd like to thank those who contacted me about being able to help with our Fall Regatta on October 12-13. We now have Terry and Laurie to head up Race Committee operations, Eli to help with registration and sign in on the morning of the 12th, and Alan who has stepped up to over see the hospitality aspects. But I am sure they can use a bit of help and we still need to line up a Committee Boat as well as a chase boat driver and crew for the whaler. Please contact me if you are able help.

We still have a lot of sailing before our Fall Regatta. Looking forward to seeing everyone out on the water!

Hospitality Updates

Thank you to Sean and Angela Pieper for taking us out of our comfort zone by serving Breakfast for Dinner at the July potluck. Awesome biscuits and gravies and lots of other goodies. Mark your calendars for the remaining 2024 club potlucks:

Stacia and John will provide fun games to help club members get to know each other better on **August 17th**, Eli will lead us through the yearly dock walk on **September 21st**, Craig and Kelley Waldron will have some tricks and treats for **October 19th**, The YBYC Board will host the annual dinner on **November 16th**, and new members Dan and Patti Schneider will set the mood for the Holidays on **December 21st**. Hope to see you there!

The gray Kirby vacuum is the only one working at this time. It needs to be left out for renters to use. Please do not put it in the locked back room.
